

SPRING GREETINGS!

2023 is sure to be our most exciting year ever! Nearly 250 parents, guardians and caretakers, Wings Members, community leaders, volunteers and Thriving Together campaign supporters gathered for a Groundbreaking on Oklahoma's first privately-funded nonprofit community for adults with developmental disabilities that will become the future of *Wings Special Needs Community*.

Wings was the 2023 beneficiary for the Redbud Classic and we had a BLAST! With over 150 volunteers, we were able to let our OKC Community know that we exist to enhance the lives of adults with developmental disabilities through social, vocational and residential programs guided by principles of the Bible. We loved being the hands and feet of Jesus at this event and serving our community.

WHERE DO YOUR DONATIONS GO?

Our day program not only allows our Members to learn skills that will help them in their adult journey, but it allows them to have a **HUGE** community impact.

They meet the needs of our non-profit partners by creating and distributing hygiene and cleaning kits, fleece blankets, plastic mats for the homeless, fidget blankets and more.
